COVID -19 SCREENERS

Applications are invited from suitably qualified persons to apply as Screening personnel to be stationed at the various campuses at KSD TVET College.

Covid 19 Screening Requirements and Major Activities

- Performing daily screening of all employees, visitors, clients and contractors for common signs of coronavirus infection which includes, but not limited to, respiratory symptoms, fever, cough and shortness of breath before they enter the company facilities
- Checking that employees, visitors, clients and contractors capture their temperature reading correctly on the Daily screening application.
- Enforcement of the use of Personal Protective Equipment (PPE) at the facility entrance area.
- Monitoring adherence to the acceptable social distancing requirements
- Allowing or denying entrance into the workplace based on the screening or temperature checks results.
- Providing employees with further direction once assessment is completed
- Comply with the company COVID-19 Policy and Procedure for the effective implementation of Health and Safety measures to mitigate the spread of coronavirus in the workplace
- Providing compassionate and supportive communication techniques when guests/visitors display anxiety to proceed with temperature check process.
- Demonstrating strong customer service skills and communicate effectively with employees, visitors, clients or contractors to provide temperature rechecks when a guest, visitor, client or contractor arrives with an elevated temperature.
- Keeping all attendance registers on file at the end of each shift in a locked-up cupboard
- Keeping track of working conditions of Medical Infrared Forehead Thermometer and report to the unit management.
- Timely informing and updating Corporate Services management about employees who demonstrate COVID-19 symptoms and escalate any issues as required.
