Dear Colleagues,

The DHET EC Regional Office is coordinating the GEPF Roadshow as it was instructed in our previous meeting. We support the initiative and has communicated to all 8 TVET Colleges and our EC CET College encouraging the managers to release the member to receive the presentation.

During my confirmation, it was reported that some of the colleges do not have means to transport 100 members but they will be sending at least 60 member, that is Ikhala TVET College.
